# MANAGED MEETING ROOMS

PRODUCT OVERVIEW

## YOUR ONE-STOP SHOP FOR MEETING ROOM NECESSITIES

We proactively monitor your rooms, providing real-time data and dashboards.

Save your IT resources, with free testing and tagging and annual health check ups.

We make complex seem easy. You just sit back and we'll handle everything!

## ABOUT US

Fastrack Technology provides everything you need to get your meeting rooms connected, from pre-configured systems, purchasing hardware and equipment, and expert support resources.

We make it easy to deploy meeting rooms of all shapes and sizes. Whether you're utilising a Microsoft Teams Room, Zoom Room or Google Meet Room, we've got you covered.
